## ***1116RS / LS Classic Sauna Room in Swedish Spruce***

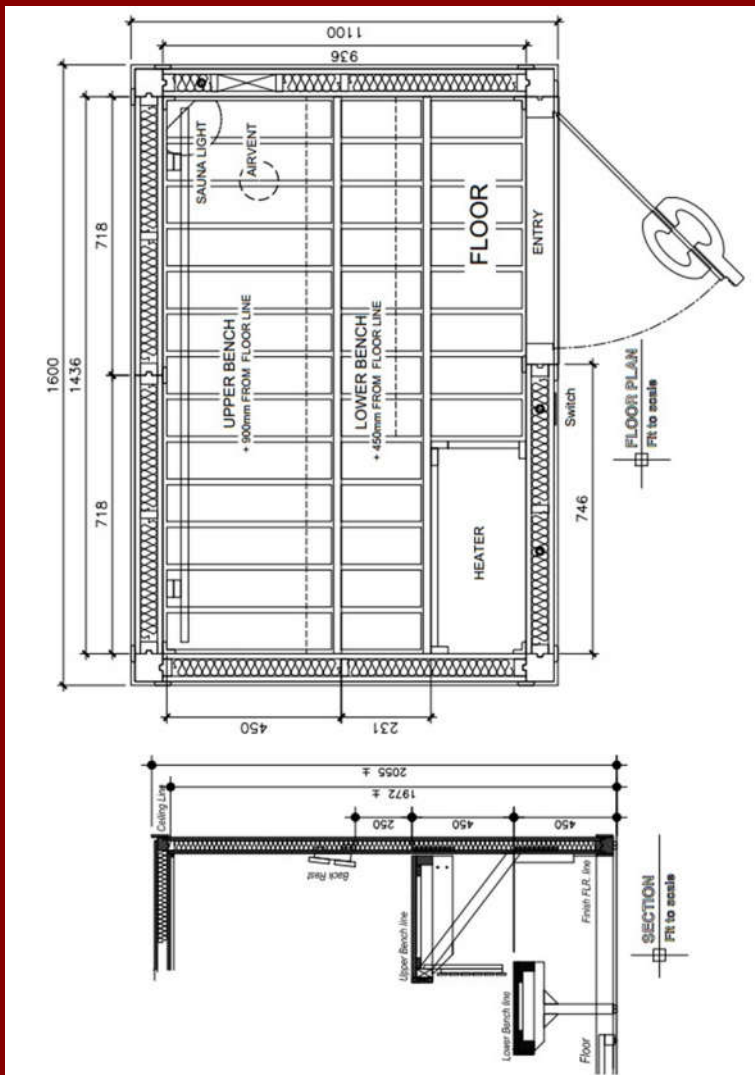

- \* The contemporary design of the **Classic Sauna Room** enhances the SAWO sauna experience
- \* The timber and benching are symmetrically arranged for both comfort and look of the signature traditional Finnish sauna
- \* Available in **Finnish Spruce** wood finish
- \* This 2,3 person sauna comes in both left and right side door options
- \* Outdoor option in this model is also available on request.

**SAWO** saunas are designed to resemble culture and tradition. Only the best Timbers are used and each have distinct characters for a personalised sauna

**CEDAR** - Canadian Red Cedar known for exceptional beauty, unique aroma and warm colour complements its fine grain texture with a satin lustre finish. Highly recommended for saunas

**SPRUCE** - Spruce is a softwood with a light yellow appearance with very few markings and even uniform grain texture with some small knots. A very durable wood that withstands extreme heat well and used widely in saunas
