1414 RS / LS Classic Sauna Room

- * The contemporary design of the **Classic Sauna Room** enhances the SAWO sauna experience
- * The timber and benching are symmetrically arranged for both comfort and look of the signature traditional Finnish sauna
- * Available in both **Canadian Red Cedar** or **Finnish Spruce** wood finish
- * This 2,3 person sauna comes in both left and right side door options
- * Outdoor option in this model is also available

SAWO sauna rooms are designed to resemble culture and tradition. Only the finest Cedar and Spruce are used and each have distinct characters for a personalised sauna

CEDAR - Canadian Red Cedar known for exceptional beauty, unique aroma and warm colour complements its fine grain texture with a satin lustre finish. Highly recommended for saunas

SPRUCE - Spruce is a softwood with a light yellow appearance with very few markings and even uniform grain texture with some small knots. A very durable wood that withstands extreme heat well and used widely in saunas
